

# PSI™ GREEN TEA EXTRACT 45%

INCI: Camillia Sinesis Leaf Extract

**PSI™ Green Tea Extract 45%** is a high polyphenol extract from the leaves of Camillia Sinesis with a minimum of 98% total tea polyphenols and a minimum 45% EGCG.

\*As the major polyphenolic compound in green tea responsible for its healing and protective powers, EGCG is especially potent with 25 to 100 times the antioxidant power of vitamins A, C and E.

\*\*Green tea has been long recognized for contributing to cell rejuvenation and wound healing.

\*\*\*Green tea has many credits in literature for helping control acne and sebum production.

**PSI™ Green Tea Extract is Rich in Polyphenols and Low in Caffeine:**  
**≥ 98% Total Tea Polyphenols**  
**≥ 80% Total Catechins**  
**≥ 45% Total EGCG**  
**≤ 1% Caffeine**

**Description:** Yellow to orange-yellow powder.

**Suggested Use:** Skin Care, Hair Care, Sun Care and Oral Care. (Produced in GMP facility.)

**Shelf Life:** 2 year with proper storage and handling in sealed unopened container.  
Store at room temperature, keep away from light and moisture .
