

**GUACAMOLE HAIR CONDITIONING PASTE with and Avocado Puree and Extract Blend of Lime, Green Pepper, Cilantro, Tomato and Onion**

This hair conditioning paste helps rehabilitate super dry or over-processed hair with deep moisturization. Just a small amount of this hair conditioning paste makes the hair become soft, lustrous and shiny. The Vitamin E content of Avocado Puree and hair conditioning properties of Lime, Green Pepper, Cilantro, Tomato and Onion help the hair recover from heat damage caused by blow drying or ironing. Give your hair this weekly treatment it deserves.

**DATE:** \_\_\_\_\_ **LOT:** \_\_\_\_\_

**Manufacturing Instructions:** Combine all Phase A ingredients and heat to 80-85°C. Mix well until all solids are dissolved. In a separate mixing tank, combine Phase B ingredients and start heating to 80-85°C. At 80°C, add Phase B into Phase A with continuous mixing. Cool down to 68-70°C and add Phase C ingredients one at a time. Mix in every addition. Mix well until uniform and start filling at 68°C.
