

# Introducing Olive-Derived and Palm-Free Ingredients

Presented by

PARADIGM SCIENCE INC

Paradigm offers green solutions from our partner, Green Oleo— a range of 100% olive-derived, palm-free glycerin, oleic acids, stearic acids, olive fatty acids, glyceryl stearates, and olivates. Green Oleo specializes in products based on olive and renewable sources, providing natural, green solutions to preserve and protect our global environment for future generations of all species.

## 100% Olive Based Products

Product	Remarks	C18:1 % typical	C18:2 % typical
